LITTLETON WARRANT

The State of New Hampshire

To the inhabitants of the Town of Littleton, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Town Hall on the 14th day of March next, being the second Tuesday of March, at eight o'clock in the forenoon (the polls are to open at 8:00 A.M. and may not close prior to 6:00 P.M.; business meeting to be held at the High School Auditorium at 7:30 P.M.), to act upon the following:

Article 1. To choose a Town Clerk, one Selectman for the term of three years, one Park Commissioner for three years, a Town Treasurer, three members of the Board of Trustees of the Public Library for three years and one Trustee of Trust Funds for three years.

Article 2. To see if the Town will vote to adopt the provisions of Chapter 287 of the Revised Statutes Annotated, 1955, relative to playing Beano in the Town of Littleton, and that the following question be placed upon the ballot to be used at said meeting: "Shall the provisions of Chapter 287 of the Revised Statutes Annotated, 1955, relative to playing the game of Beano be adopted in this Town?"

Article 3. To raise and appropriate such sums of money as may be necessary for Town Officers' salaries, General Expenses, Elections, District Court, Town Building, Police Department, Forest Fires, Sewers, Streets and Highways, Street Lights, Vital Statistics, Sidewalks, Town Garage, Superintendent of Public Works, Health Officer, Hospital, District Nurse, Public Dump, Welfare, Old Age Assistance, Parks and Playgrounds, Community Center, Social Security, Blister Rust, Fire Department, Damage by Dogs, Garbage Disposal, Special Highway Account, County Tax, Public Library, Cemeteries, National Holidays, Advertising, Region Association, Planning Board, Recreation, Debt Retirement, Interest on Indebtedness, Sewage Treatment Plant, Ski 93, White Mountain Community Services and other necessary expenses.

Article 4. To see if the Town will authorize the Board of Selectmen to borrow monies, from time to time, for current indebtedness of the Town for the ensuing year, in anticipation of taxes to be collected for the year 1967 and to be paid therefrom.

Article 5. To see if the Town will authorize the Selectmen to administer and sell and convey any real estate acquired by the Town through Tax Collector's Deeds for such price and upon such terms as the Selectmen may in their discretion determine.

Article 6. To see if the Town will vote to raise and appropriate the sum of Seven Thousand Six Hundred Dollars (\$7,600.00) to install a storm drain from Union Street along Redington Street to Tamarack Street, a distance of nine hundred (900) feet, more or less.

Article 7. To see if the Town will vote to raise and appropriate the sum of Twenty-one Thousand Dollars (\$21,000.00) for the revaluation and reassessment of the taxable real property in the Town by an independent firm of appraisers to be chosen by the Board of Selectmen.

Article 8. To see if the Town will vote to raise and appropriate the sum of Six Thousand Five Hundred Dollars (\$6,500.00) to resurface Meadow Street from its intersection with West Main Street, a distance of fifteen hundred (1,500) feet, more or less.

Article 9. To see if the Town will vote to sell and convey to Dr. and Mrs. Charles W. Copenhaver for the sum of Three Thousand Dollars (\$3,000.00) the parcel of land adjacent to the rear line of the present Copenhaver property, together with a certain right-of-way appurtenant thereto, being the parcel of land and right-of-way deeded to the Town by G. Howard Eaton by deed dated April 1, 1957, recorded Grafton County Registry of Deeds, Book 892, Page 94; and to authorize the Selectmen to execute and deliver a deed in exchange for the payment to the Town of said sum of Three Thousand Dollars (\$3,000.00).

Article 10. To see if the Town will vote to raise and appropriate the sum of Four Thousand Eight Hundred Dollars (\$4,800.00) to rebuild the wall on the west side of Church Street and to widen said Street, a distance of one hundred twenty-five (125) feet, more or less, from the intersection of Church Street and West Main Street.

Article 11. To see if the Town will vote to raise and appropriate a sum not to exceed Five Thousand Dollars (\$5,000.00) and pay the sum so raised and appropriated to Littleton Little League to assist the latter in relocating its ball field.

Article 12. To see if the Town will vote to convey to Kenneth E. Curran, Inc., a certain parcel of land containing 2.77 acres situate on the westerly side of Bridge Street, and being the same parcel now leased by the Town to said Kenneth E. Curran, Inc., bounded and described as follows:

Beginning at an iron pin in the westerly line of said Bridge Street and two hundred nineteen (219) feet southerly from the southerly end of the bridge crossing the Ammonoosuc River, and on the southerly side of a certain road known as the Dump Road leading from said Bridge Street to the Littleton town dump; thence North 66°-30' West seven hundred twelve (712) feet along the southerly side of said road to an iron pin; thence South 22° West two hundred sixty-five (265) feet, more or less, to a point in the northerly line of the right-of-way of the Boston & Maine

Railroad; thence easterly along said Railroad right-of-way to an iron pin in the westerly line of said Bridge Street; thence North 22° East one hundred seventy-seven (177) feet along the westerly line of said Bridge Street to the point of beginning; and accept as consideration for said deed a deed from Kenneth E. Curran to the Town conveying a certain other parcel of land located easterly of Interstate Highway 93, northerly of the Boston & Maine Railroad and southerly of the Ammonoosuc River, further bounded and described as follows:

Beginning at a post on the southerly side of the Ammonoosuc River at the northwesterly corner of land of the Town of Littleton; thence South 68°-40' East on line of land of said Town to an iron pin; thence westerly along the northerly line of the right-of-way of the Boston & Maine Railroad one thousand eight hundred and fifty (1,850) feet to a concrete post; thence North 14° West three hundred and eighty-five (385) feet on line of land of The State of New Hampshire to a post on the southerly bank of the River; thence easterly and southeasterly along said river bank to the point of beginning; said parcel of land being shown on a certain plan entitled "Plan of Curran Land for Lease to Town of Littleton, Dec. 1966—G. H. Richardson, Surveyor"; said parcel of land being the same deeded to Kenneth E. Curran by Landers & Griffin, Inc. by deed dated December 2, 1966, recorded Grafton County Registry of Deeds, Book 1048, Page 268, and also being the same leased by said Kenneth E. Curran to the Town December 21, 1966; and to authorize the Selectmen to execute and deliver a deed of the first parcel of land above described in exchange for a deed to the Town of the second parcel.

Article 13. To hear the report of Agents, Auditors, Committees, including the Planning Board, or Officers chosen, and pass any vote relating thereto.

Article 14. To choose any other necessary Town Officers for the ensuing year, and to choose and elect any agents or Committees which may be necessary to carry into effect any vote that may be passed under the warrant.

Article 15. To transact any other business that may legally come before the meeting.

Given under our hands and seals this 23rd day of February, 1967.

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire
SUMMARY OF FINDINGS AND
RECOMMENDATIONS**

January 27, 1967

Board of Selectmen
Littleton, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Littleton for the fiscal year ended December 31, 1966, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, District Court, Sewer Bond Fund, Library, Planning Board and Trustees of Trust Funds.

FINANCIAL STATEMENTS

**Comparative Balance Sheets—December 31, 1965-December 31, 1966:
(Exhibit A-1)**

Comparative Balance Sheets as of December 31, 1965 and December 31, 1966, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$54,528.64 in 1966.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt		
Net Budget Surplus	\$26,127.27	
Notes and Bonds Paid	65,800.00	
Decrease in Accounts Payable—		
Sanitary Storm Sewer	1,216.68	
Increase in Payroll Cash	.49	
	<hr/>	
		\$93,144.44
Increase in Net Debt		
Surplus Used to Reduce Tax Rate	\$38,560.32	
Tax Liens Transferred to Tax Deeds	55.48	
	<hr/>	
		38,615.80
		<hr/>
Net Decrease		\$54,528.64

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1966, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$23,218.04, plus a revenue surplus of \$2,909.23, resulted in a net budget surplus of \$26,127.27.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's Balance as of December 31, 1966, is indicated in Exhibit B-2.

Parking Meter Reserve Fund: (Exhibit B-4)

A summarized statement of the activity in the Parking Meter Account during 1966 is presented in Exhibit B-4.

Littleton District Court: (Exhibit H)

A statement of the accounts of the Littleton District Court for the fiscal year is included in Exhibit H.

Sewer Bond Fund: (Exhibit I)

A statement of the Sewer Bond Fund Account for the fiscal year ended December 31, 1966, is included in Exhibit I.

Statement of Long Term Indebtedness: (Exhibit J)

A statement of outstanding long term indebtedness as of December 31, 1966, showing annual debt service requirements, is contained in Exhibit J.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS**Current Surplus:**

The current surplus (excess of total assets over current liabilities) decreased by \$11,271.36, from \$63,821.67 to \$52,550.31 in 1966, as shown herewith:

	December 31, 1965	December 31, 1966
Total Assets	\$380,823.80	\$413,192.88
Current Liabilities	317,002.13	360,642.57
	<hr/>	<hr/>
Current Surplus	\$ 63,821.67	\$ 52,550.31

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Littleton for their assistance during the course of the audit.

Yours very truly,

LIBRARIAN'S REPORT

1966

Littleton Public Library was named a Service Center Library by the New Hampshire State Library Commission September 7, 1966 along with the public libraries at Lancaster and at Berlin. These three libraries are the first to be named in the North Country Library District. A grant of \$637.00 has been given our library to help strengthen the book collection. The statewide borrower's card will not be initiated until more grant-in-aid funds are available.

The microfilming of the Littleton Couriers from December 1889 through 1966 began in the fall of 1966. In the spring of 1967, the people of Littleton will have the thrill of using a reader to look up something of interest or importance to them. The use of the older Couriers had been restricted for they had become very brittle and broken.

Early in 1966, a large section of adult non fiction books was moved to the new steel stacks in the basement, which gave the much needed space for our growing collection.

National Library Week we were very happy to be visited by three first grades and three third grades from the elementary school. In June, a grade from the St. Rose of Lima School made us a visit.

Barbara Corey has written the following report of summer activities in the children's room: "During the months of July and August, story hours were held twice a week in the children's room. At 2 o'clock on Wednesdays, students in grades four through six were invited to hear book talks on new literature and listen to short stories. The story time for those in grades one through three was Saturday morning at 10:30 o'clock. Five new stories were told each day to acquaint the children with a variety of books. They also enjoyed playing finger games and singing songs. The attendance of the primary grades was about twenty, but there were seldom more than five of the older group. Judging by the enthusiasm of those involved, this project was a great success.

"On July 27, a group of fifteen children from Operation Head Start visited the library where they looked at books and heard several stories.

"Beginning in May, there have been poster displays in the children's room relating to new book collections and school activities. Several children brought in their pictures which were posted on a bulletin board."

As chairman of the Buildings and Grounds Committee, Mr. Jasak supervised the work done on the foundation of the building. Moisture damage was bad especially near the rear entrance. It was decided that windows should be bricked in and silicone moisture proof material was used.

The greater part of the written policy for our library was worked out in 1965. This year the personnel policy and a structural salary scale have been accepted by the library board as a result of study done by a committee headed by Mrs. Dorothy E. Miles. Mrs. Caroline Gale, Mr. Harold Kyte and I also worked on this committee. I am sure that the committee members would want me to say that the basic salary structure is Mr. Kyte's contribution to our needs.

For ten weeks last spring, a class in cataloging was taught in this library by Mr. Ralph D. Riley, N.H. State Library Consultant in this area. Mrs. Althea F. Haskell and Mrs. Marion G. Lewis took this course, giving our library and staff benefit from this training in library techniques.

Twenty-two books and five phonograph records were given this year as memorials to Mrs. William A. Green, Dr. Donald F. Miles, Goldie Goodrich, Ethel Wright, Mr. and Mrs. Meek H. Copenhaver, Anna Chapman, Laurence Chase, Mrs. George Veazie, Marion Morse, Fred C. Hart, Sr., Brian King, and Keri-Jo Kingsland. A memorial to Richard H. Lewis made by the Littleton High School Class of 1935 will be included in the report for next year for the books have not all arrived.

The White Mountain Garden Club and Friday Club are still true friends, augmenting our book purchases, and I know you appreciate the flowers which the Garden Club provides.

Professional meetings have not been neglected by your librarian or the trustees. Your librarian, representing a newly named service center library and serving as acting chairman and, since October, chairman of the North Country Library District, has journeyed to Concord for several planning meetings in the interest of better library service to all people in New Hampshire.

Mrs. Nita Howard retired from the library staff September 26 for her health. The staff and public alike miss her after the many years she served in the Littleton Public Library. Mrs. Eschol Goodell worked for us from September 27-December 17 but stopped when she found that public library hours did not work out with her family. Mrs. Ellen J. Morrow started December 16 and is now holding this same position. Mrs. Marion G. Lewis joined our staff in April.

In this age of change the library has changed. Serious goals of education for all and education needed for making good livelihood have become very important. Mere pleasure reading which was so common at one time and so good for circulation figures has been partly replaced by a curious mind. Our present library staff, made up of Mrs. Althea F. Haskell, Mrs. Marion Lewis, Mrs. Ellen Morrow and me, is teacher trained and wish to provide the best service our abilities can give.

I wish to express my appreciation to the entire library staff, the library board, the New Hampshire State Library, and the Littleton public for a year of healthy growth in library service.

ELSIE R. RILEY
Librarian

ANNUAL REPORT OF LITTLETON DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS

T.R.A. Work

This past year saw very little work being done on T.R.A. work. The project which was started in 1965 on Manns Hill was completed this past summer. This coming season should see a continuing of this work on Manns Hill.

Sewers

This past summer a new 8 inch transite sanitary sewer and a new R.C.P. storm sewer were laid in Hill Street. The old sewer on this street carried both sanitary and storm sewerage, and was not large enough.

During this past season the department installed nearly 75 new septic tanks. Some of these were replacements or installations where there was a dwelling with no tank. Our largest installation was at the new "93" motel where a 9,000 gallon tank was built and over 1,000 l.f. of field line installed.

There are many improvements to be made in our sewerage system and new sewer lines to be installed.

Streets and Highways

This past year the contract was let to install a new wall on Grove Street. The work was started too late to be completed this past fall. It is planned that the Grove Street project will be completed this spring.

REPORT OF LITTLETON WATER AND LIGHT DEPARTMENT FOR YEAR 1966

186 feet of 6" water main was added in the new development at the upper end of Fairview street.

The factory expansion at Connors-Hoffmann Footwear, Inc. necessitated the relocation of 380 feet of 6" water main in front of their original factory. The size of the pipe was increased to 8". Also relocated was the main electric power line and a substation consisting of three 167 KVA transformers was built for their added load.

To meet the ever increasing electric demands each year, the new substation on South street was put into operation. This added 2000 KVA to the system which keeps us abreast of the present needs and future growth of the town.

Renewal of all cable at Lafayette avenue substation was completed. 1/0 strand, shielded Vulkene 5 KV modern cable has replaced the old cable.

The primary and secondary line was extended on Morrison Hill Drive. A primary line extension was made on Fairview street.

Electric rate for churches was reduced from 4c per kilowatt hour to 1.48c with a minimum charge each month of \$1.85.

One ¾-ton pickup truck was traded with the successful bidder, Gallen Chevrolet-Olds., Inc.

Electric customers received their November kilowatt consumption free of charge for a total of \$37,816.49.

Eighteen area lights were added on customers' property. Installation and upkeep of these lights is free, the only stipulation being that usage remain effective for one year from date of installation. Charge per month is \$3.50.

A chain link fence was installed at the new garage and store-room building on Lafayette avenue.

Capital improvements for the year in both departments totaled \$52,393.89.

Thank you notes were written to all. There were not as many items of clothing to be bought this year and the need for food was greater and too, there was a family who were using oil lamps because they did not have the money for the deposit to get the electricity turned on, thus the item for the Water and Light Dept. There were many generous individuals who bought clothes for school children.

At the two Orthopedic clinics held in Littleton on the first Friday in May and November there were 57 children seen. Of this number there were 17 pre-school children seen from Littleton.

At the Pediatric Diagnostic clinic there were 3 pre-school children seen from town.

The special Diabetic Detection clinics held in November at the industrial plants and at the Community House, for towns people, a total of 653 people were tested. In December a second clinic was held for those who had re-acted unfavorably to the first test. All who took the test were notified by mail what their own results were.

There have been 23 patients who have received hospital equipment the L C N A has available. The time of use has varied from use for one day to use for six years, with the average use 4 mos.

In April a walker was donated to us from the Emblem Club.

The hospital equipment for use in the home is used by children as well as adults and may be obtained upon recommendation of the patient's Physician.

During this year, as always, Mrs. LaBonte, the School Nurse, and I have worked closely and consulted with one another more times than could be counted besides the Consultations noted above. In clinics and the work at Christmas we are in daily contact.

The White Mt. Community Services Inc. have had monthly conferences with nurses from the area which I have found most valuable to me and in turn to my patients.

There were many meetings and one 5-day Institute at St. Anselm's in Manchester on Medi-care—its meaning and impact on the Community Nursing, Board Members, and Nurses as well as the Community itself.

At Christmas time through the generosity of local organizations, 34 families received food and clothing. This is a tremendous task and without the cooperation of all persons involved the many hours spent in preparation would be futile. It is a Community Project and a good example of people helping people. It would be an even better project if we would make the effort to do even some of the Christmas things throughout the year.

As this is my final report as the L C N, may I express my sincere appreciation to all who have helped me at clinics, and with the many and varied projects over the past ten years, to the L C N A Board Members, to Mrs. LaBonte, School Nurse, to Mr. and Mrs. Carrol Tefft, at the Community House, to the allied professional groups and to my patients who have ranged in age from 5 days to 103 years, for the privilege of being able to be of help to them and their families when the services of a Community Nurse was needed.

The work of the Community Nurse will be carried on most ably by my successor, Miss Lolita Ball, R.N. B.S. We have worked together the past few weeks and the continuity of service and cooperation of all concerned has been gratifying. I wish her success and hope for her the same support and cooperation which I have received from the community.

Respectfully submitted,

**WHITE MOUNTAIN COMMUNITY SERVICES, INC.
111 COTTAGE STREET
LITTLETON, NEW HAMPSHIRE**

January 1967

Gentlemen:

At last our committee of the North Country has an opportunity to do something together to provide mental health services to our people, the need for which has long been only too evident. White Mountain Community Services is a mental health clinic approved by the New Hampshire Division of Mental Health and available to a population of approximately 23,500 people.

We are asking each town served by the Clinic to share in the support of the Clinic through their individual town budgets.

Therefore, it is proposed that the town of Littleton set aside funds at the rate of one dollar (\$1.) per resident (based on the 1960 sus); this amount totaling \$5,000.00.

Money appropriated for the WHITE MOUNTAIN COMMUNITY SERVICES by Littleton will contribute toward the current services and future development of this mental health facility. Funds so appropriated by the townspeople of Littleton indicate their willingness to share with their neighboring towns in the responsibility of providing mental health services to our own area.

Included in this presentation you will find some impressive reasons why it is to our advantage in the North Country to work together to help each other.

Respectfully submitted,

JOHN S. READ

LITTLETON PARK COMMISSIONER'S REPORT FOR BUDGET YEAR OF 1966

Many new improvements of the parks this year included lighting for the tennis court area to enable more night recreation. New lights were also added at Mt. Eustis for night skiing. A new tow hut was constructed at Remich Park. Sixty stumps were removed at Remich Park.

The summer recreation program was most successful with record numbers of children being recorded. A new arts and crafts program was instituted and was very largely attended. The increased program included a number of trips to points of interest, movies, record hop and a very good summer basketball league.

A large area of Aphorp Common was loamed and seeded.

The swim program was largely attended with the lessons given at the Bethlehem pool.

The Park Commission wishes to thank the people of Littleton for granting the funds to provide the various services for young and old alike.

REPORT OF PLANNING BOARD

During the past year there were a number of changes in the personnel of the Planning Board. Mr. Clinton Kelley and Mr. Roland Dorr resigned for business reasons and Mr. Hugh Gallen retired when his appointment to the Board expired. These gentlemen deserve a word of commendation for the manner in which they served on the Board during their incumbency. The new members replacing them are Mr. John Bowman of Radio Station WLTN, Mr. Andrew Poulsen of Poulsen Lumber Company, and Mr. Raymond Marshall, a surveyor by profession. The Board presently consists of the following; Mr. C. W. Allard, Mr. James Alt, Mr. John Bowman, Mr. Raymond Marshall, Mr. Andrew Poulsen, Mr. Theodore Gardner, ex-officio, Mr. James J. Gannon, Secretary.

Mr. Perry Goodell, Town Engineer, has been attending all the meetings of the Board in the capacity of advisor and to him a great deal of credit is due for the way the Land Subdivision Control Regulations were devised.

The delay in the receipt of the grant by the State Planning and Development Commission, for which application was made some time ago to the Housing and Home Finance agency under the provisions of Section 701 of the Housing Act of 1954 Amended, has delayed the start of the comprehensive survey of the resources of Littleton. This survey is the basis for the Master Plan which will provide a general guide for the growth and development of the Town of Littleton.

The Master Plan among other things is composed of a Land Use Plan which recommends future public and private use of land, defining those areas of the Town which are best suited for residential, commercial, industrial and public uses.

A Community Facilities Plan locates and identifies existing public facilities such as schools, public buildings, public utilities, recreation areas; indicating whether existing facilities meet community needs and specifies additional building and area requirements to meet future demand.

A Traffic Plan.

A Capital Improvements Program presents a financial program for effectuating public improvements.

The overall cost of the survey and compilation of the Master Plan is estimated at \$30,000.00. The Federal Government will contribute \$22,500.00 of this amount. The State \$500.00 and Littleton \$7,000.00.

The most noteworthy accomplishment of the Planning Board during the past year was the adoption of Land Subdivision Control Regulations which became effective for Littleton on December 1, 1966.

The editorial in the Littleton Courier under date of December 8th, 1966 expresses concisely and clearly the value of the Regulations to Littleton, and we take the liberty of quoting the editorial in full:

Subdivision Regulations

By action of the Littleton Planning Board the Town of Littleton joins 70% of the total population of the state who have Subdivision Regulations for the orderly development of their communities; the smallest being South Hampton with a population of 443, and the largest being Manchester with a population of 88,282.

The word "subdivision" means the division of a tract or parcel of land into two or more parts for the purpose, whether immediate or for the future, of sale or building development, and requiring the extension of municipal utilities, the creation of one or more new streets, or extension of existing streets. Excluded from such regulations is the development for agriculture purposes.

The adoption of Subdivision Regulation is aimed at enabling the Planning Board to function in a manner consistent with the best interests of the community in the future.

Respectfully submitted,

Littleton Planning Board

CONSERVATION COMMISSION

The Town of Littleton Conservation Commission was authorized in Town Meeting on March 19, 1965, and in accordance with R.S.A. 36-A. The powers of the Commission are investigative and advisory. Any recommendations advanced by its members would either be subject to a vote at town meetings or acted upon by some appropriate and authorized agency. The Commissioners are appointed by the Selectmen.

In 1966 the Commission concerned itself primarily with the question of management and improvement of the Dells. In June, with the cooperation of a group of Boy Scouts, the Commission undertook a Spring clean-up of the Dells area. Following that, detailed suggestions were given to the Park Commission as to ways in which the Conservation Commission might be of support to the Park Commission in its management of this area. In October the chairmen met with the Park Commissioners to talk over some of these suggestions.

The Commission is also concerned with keeping citizens informed on conservation problems and projects. A film entitled "The Whitetail of New York" was shown early in the year to members of the Hunter Safety Course. Other films will be used from time to time as a means of education. An important concern for 1967 will be the classification of the Ammonoosuc River in the Littleton area and the effects which this classification will have on its use and management.

REPORT OF THE BOARD OF EDUCATION

To the Citizens of Littleton:

The school board of Littleton School District presents herewith its annual report. Included in this report will be found the audit of finances for the school year 1965-1966 by the Division of Municipal Accounting of the State Tax Commission, budgets and estimated receipts and expenditures for this year and next year, and written reports by the superintendent, the principals and the school nurse.

The budget for the coming year shows an increase over the present year. This is due to increases in salaries and the addition of seven new teachers as well as normal increases in other areas.

We recommend to you a budget of \$849,548.20 for the ensuing year which includes \$15,595.50 under Title I P.L. 89-10.

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

**SUMMARY OF FINDINGS
AND RECOMMENDATIONS**

December 20, 1966

The School Board
Littleton Union School District
Littleton, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Littleton Union School District for the fiscal year ended June 30, 1966, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1965 and June 30, 1966, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$46,534.15 during the fiscal year ended June 30, 1966.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits C and D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1966, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$6,836.58, less a net overdraft of appropriations of \$1,011.49, resulted in a net budget surplus of \$5,825.09.

Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof

of the Treasurer's balance as of June 30, 1966, is indicated in Exhibit F.

School Lunch Program: (Exhibits G-1 and G-2)

Summary statements of the School Lunch Program account for the Littleton High School and Elementary School are presented in Exhibits G-1 and G-2.

Building Fund Account: (Exhibit G-3)

A statement showing the activity in the Building Fund account during the fiscal year is included in Exhibit G-3.

Statement of School Tax Account: (Exhibit H)

A statement of the School Tax account with the Town of Littleton is included in Exhibit H. As indicated therein, as of June 30, 1966, the School District had received from the town the total of the 1965-66 School Tax in the amount of \$520,087.56.

Statement of Bonded Debt: (Exhibit I)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1966, showing annual debt service requirements, is contained in Exhibit I.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased from \$16,290.74 to \$5,824.89, during the fiscal year as shown by the following statement:

	June 30, 1965	June 30, 1966
Total Assets	\$37,420.93	\$29,654.37
Current Liabilities	21,130.19	23,829.48
Current Surplus	<u>\$16,290.74</u>	<u>\$ 5,824.89</u>

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Littleton Union School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

O. MAURICE OLESON, Auditor
LAURENCE M. BEAN, Accountant

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Littleton School District.

It is with pleasure that I submit my report to you as Superintendent of Schools.

The Littleton District is studying with the Lisbon-Littleton AREA-Coop group in an attempt to meet the minimum standards and reorganization of the school districts according to the recommendations set forth by the Interim Commission that was legalized by the New Hampshire State Legislature.

This group has made progress and will in the near future present a report to each of the school districts making up the study and at that time the voters of Littleton will have the opportunity to discuss and vote. Your representatives on this study have been: Joseph Duranty, Mrs. Sherman Joslin and Robert L. Topping.

The Supervisory Union office has been consolidated into one unit at 33 Main Street, Littleton, N.H. This expanded Supervisory Union is in keeping with the State Board of Education's plan of reorganization as recommended by the Interim Commission of the 1963 General Court.

Mr. Paul Henry has been appointed the Assistant Superintendent of Schools and Mr. Oliver Cole the Business Administrator. This organization will, I am sure, better meet the needs and purposes that have been set forth by the State program for improving education.

An area which has become quite controversial and one which affects our schools in many ways, is Federal Aid to Education which I would like to review with you at this time.

Federal Aid to Education has become substantial this school year. Although, this may be an area many would wish away, I firmly believe that the amount in years to come will dwarf the 1966 figures.

A question often asked of me is, "What is this Federal Education Law?" In answer; there are many laws assisting and affecting education financially.

1. The Elementary-Secondary Act of 1965, or more commonly called the 89.10 bill.

There are 5 titles in this bill that grant aid from the local school district up to and including the State Department of Education. However, only titles 1, 2, and 3 affect us locally.

Title 1 is specifically allocated to the local districts and we have received in the White Mountains Supervisory Union #35 during 1966-67, \$41,769.93 and will receive similar amounts for the 1967-68 school

year. The U. S. Congress will determine future allocations after 1968 (as with all titles). The money received under this Title 1 must be used for the educationally deprived and is being channeled into programs which are badly needed.

Title 2 is for the entire Supervisory Union as a unit and we received \$6,091.00 for the 1965-66 school year. Our entitlement for the current school year is \$7,259.40. These monies must, by law, purchase library, audio-visual aids, supplies, materials, etc., only after inventories are completed. This project is directed by Mr. Gordon Flight of Bethlehem and a program has been initiated which rotates materials and equipment throughout our 10 district Union.

Title 3 is for area or regional programs and although it is centralized in our Supervisory Union office, the area served is the entire North Country (7 Supervisory Unions from Woodsville and Conway, north). This program, Project "ARISE," has an operating budget of \$74,850.00 and is concerned primarily with social enrichment. Mr. Stanley Tufts, Project Director, and his staff have already initiated programs in which your children have become involved in an interesting and challenging enrichment project that will have lasting effects.

2. The next major Federal Education Law, that affects us here, is the Vocational Education Act of 1963. This act granted the White Mountains Regional School District \$240,000.00 during 1965, of which \$205,000.00 is presently being used to construct their new High School Building, and \$35,000.00 to purchase vocational equipment as the new building nears completion. Without doubt, additional dollars from this act will assist with employment of staff, etc.

3. The Economic Opportunity Act has several titles of which Title 2 has affected our schools considerably. The 1966 Summer Head Start Programs operated under this act. Mr. C. Douglas McIntyre of Whitefield is the director, and operates one of the largest Head Start programs in New Hampshire at a cost of \$16,354.00 and involving approximately 61 children.

The three above education acts, although the largest in dollars, are not by any means the only Federal programs your schools deal with annually. The 1917 Smith-Hughes and George Bardeen Acts, the National Defense Education Act, the Manpower Development & Training Act, School Lunch and Government Surplus programs, all of long standing, direct much of the supplies, equipment, food, milk and dollars into your school budgets. Each is very important and each contributes to the education and welfare of your children.

In closing, may I take this opportunity to thank the Board of Education, the State Department of Education, our Administrators, and the staff of the Superintendent's office for their continued cooperation and support.

PRINCIPAL'S REPORT

February 3, 1967

To: Mr. William Grass, Jr.
Superintendent of Schools

I hereby submit my third annual report as Principal of Littleton High School, for the year beginning September, 1966, to date.

REGISTRATION

The registration is slightly lower than that of a year ago due primarily to an unusually small senior class. The number of graduates in each of the past three years has been: Class of 1964, 90; Class of 1965, 108; Class of 1966, 121. All factors indicate that enrollment will rise somewhat during the next school year.

There have been thirty-five withdrawals to date; twenty-two have changed residences and are continuing in other schools and thirteen have dropped from attendance at any school. Attainment of legal age for leaving school and a general lack of interest continues to account for most of the drop-outs.

There are 114 tuition pupils in grades 9-12 and 25 in grades 7 and 8, total 139, as compared with 146 last year. Their residences are as follows:

	High School	Junior High

Class of 1966		

The graduation exercises of the Class of 1966 were conducted in the high school auditorium on June 16. The commencement program and list of awards are available at the high school office.

A recent study was conducted to determine the educational disposition of all individuals who were at any time a member of this class. The results of this study are listed below:

Class of 1966

Number entered as Freshmen (1962)	130
Additional enrollments:	
1963	25
1964	8
1965	9

Totals	172	100.0

It should be noted that 36.37% of the graduates of this class continued their education at four year degree granting institutions and that another 27.27% of the graduates continued their education at schools with programs of less than four year duration.

ACCREDITATION

Littleton High School continues to be accredited as a comprehensive high school by the State Department of Education. Representatives of this department conducted an evaluation of the present program during the fall and recommended additional facilities, especially for science classes; continued reduction of teaching load, expansion of the art program to include a credit course for high school students, revamping of the junior high curriculum and modernization of the business education program.

The school is also accredited by the New England Association of Colleges and Secondary Schools, the regional accrediting agency. Such accreditation is due to expire in November of 1971 unless a re-evaluation is conducted prior to that time. The accrediting standards are continually being raised and attention must be directed to this end if the advantages of accreditation are to be continued.

Innovations 1966-67

Four additional faculty members have been employed:

1. An additional guidance counselor to fulfill state minimum standards of one full-time guidance counselor for every 350 in the student body.

2. An English teacher to further reduce class size. Average teacher load for English teachers is now 106 and needs to be further reduced to reach the recommended 100 students per day.

3. A science-math teacher in the junior high school to reduce class size by increasing the number of sections. This also serves to reduce teacher load in the junior high school.

4. A music teacher to assist with general music classes, the chorus and at the elementary school and to allow Mr. Delude an opportunity to provide instrumental lessons.

Areas of Special Concern

The most pressing problems in regard to a quality program at Littleton High School resolve themselves around the following:

1. Overcrowding. Attention has been given to the reduction of class size to recommended levels to insure high standards of teaching. This action has placed added burdens on an already crowded facility and if further attention is to be given to reducing class size and to expand the curriculum, additional facilities will be needed. A plan has been presented to the board of education which will provide some temporary relief but serious consideration must be given to meet the long range needs. Present rate of overcrowding is fifteen percent.

2. Curriculum. There is a great need for expansion of the curriculum to meet the needs of all students. As noted above, minimum standards will require some of this expansion and further expansion is necessary if the needs of all students are to be met as well as we now meet those in the academic program.

3. Accreditation. I am sure that the people of Littleton wish to have an accredited high school. Such accreditation will depend upon how well the needs enumerated in (1) and (2) above are met.

CONCLUSION

I would like to take this opportunity to express my sincere appreciation to the school board, yourself and your staff, the staff at the high school and to the people of the school community for the support and cooperation extended me during my tenure as principal.

Respectfully submitted,

PAUL W. HENRY
Principal

ELEMENTARY SCHOOL PRINCIPAL'S REPORT

To: Mr. William Grass, Jr.
Superintendent of Schools

It is with pleasure that I submit to you my annual report as principal of the Mildred C. Lakeway Elementary School.

A number of changes have taken place in personnel. Mrs. Linda Ford was employed as librarian to replace Mrs. Ellis Howard who moved to Lebanon. In January, 1967 Mrs. Terrill Kerns was employed to fill the vacancy caused by the resignation of Mrs. Ford. In February Mrs. Perry Goodell filled the position following the resignation of Mrs. Kerns.

Miss Susan Carll was employed to teach Grade 6 following Mrs. James Reid's resignation because of a change in her husband's employment. In February Miss Carol Bateman filled the vacancy in Grade 6 caused by Miss Carll's resignation.

During the school year 1965-66 a program of self-evaluation was instituted to point out both our strengths and weaknesses. The second semester of 1966-67 has been a period of implementing some of the changes called for under the evaluation. The entire staff is to be commended for their constant effort to improve the overall program of the school.

The White Mountain Community Services has provided valuable assistance to our school. The study of pupils with problems has not only provided us with more insight as to the cause and possible solution to the individual pupil studied, but carried over to pupils exhibiting similar problems.

The overcrowding of the present Grade 1 has not had a good effect upon the learning situation in these grades. The new New Hampshire Elementary Guidelines recommends a maximum of 25 pupils in a grade. In the school year 1967-68 there will be four sections of Grade 1 and four sections of Grade 2. Your school board is to be commended on taking action to relieve this overcrowding condition.

More needs to be done to improve the present curriculum. The administration and staff are aware of these changes but lack of space prevents us from implementing the changes.

I would like to thank all who have given their support to our school.

Respectfully submitted,

JOHN BALDWIN,
Principal

Crest Dentrifice supplied Teaching Kits, tooth brushes and paste to Grade 3 pupils again this year.

We again had individual instruction and film strip.

Our thanks and appreciation to 4th Degree Knights of Columbus for sponsoring dental work at St. Rose of Lima School; to the Emblem Club and American Legion Auxiliary for \$25 each; a check from Mrs. Claypool, who as President of discontinued P.T.A. turned over \$50 remaining in P.T.A. Fund; and to Mrs. Mavis Clough as Chairman of a Food Sale. All of this made possible our obtaining the Matching Fund from the State for next year.

D. 1. Vision Tests	1537
Referrals	54
Corrections	41
Our thanks to the Lion's Club for their continued support.	
2. Hearing Tests (Individual Maico Pure-Tone)	
Pupils tested	746

3. Inspections:	
Heights and Weights	1537
Heads—Treated	2
Teeth—Corrected at Clinic	44
4. Home Visits	108

Epidemics of Chicken Pox and Mumps have been prevalent during the year, also a few isolated cases of Scarlet Fever.

We gratefully acknowledge the purchasing of food baskets and clothing for needy families at Christmas time by L.C.N.A.

My thanks to Mrs. D'Zay Bull, R.N., for taking call duty during my leave of absence.

The cooperation of Mr. Cummings, all school personnel and all who have helped the Health Service Department function effectively is greatly appreciated.

Respectfully submitted,

LAVONE W. LABONTE, R.N.
School-Nurse Teacher

*Program of the White Mountains
Region Association 1966 (29th year)*

Printed and distributed more than 300,000 folders and booklets promoting the White Mountains Region.

Received and answered 15,000 individual inquiries which represents an increase of more than one hundred per cent over last year.

Wrote sixteen news releases for the use of local media and five newsletters to the members, promoting economic development ideas in the region.

Supported the 4-H awards program to encourage development of agriculture.

Assisted in programs of natural beauty and good land-use practices.

Presently are initiating a program of ski area engineering research to combat the snow erosion problems at ski areas.

Worked in cooperation with many other groups working to promote the economy of the White Mountains Region and the State of New Hampshire.

Respectfully submitted
